Matthew 18:1-5

About this time the disciples came to Jesus and asked him who would be the greatest in the kingdom of heaven. Jesus called a child over and had the child stand near him. Then he said, "I promise you this. If you don't change and become like a child, you will never get into the kingdom of heaven. But if you are as humble as this child, you are the greatest in the kingdom of heaven. And when you welcome one of these children because of me, you welcome me."

Matthew 19:13-15

Some people brought their children to Jesus, so that he could place his hands on them and pray for them. His disciples told the people to stop bothering him. But Jesus said, "Let the children come to me, and don't try to stop them! People who are like these children belong to God's kingdom." After Jesus placed his hands on the children, he left.

Ephesians 5:3-4

You are God's people, so don't let it be said that any of you are immoral or indecent or greedy. Don't use dirty or foolish or filthy words. Instead, say how thankful you are.

The United Methodist Book of Discipline Paragraph 162c

Rights of Children – Once considered the property of their parents, children are now acknowledged to be full human beings in their own right, but beings to whom adults and society in general have special obligations. Thus, we support the development of school systems and innovative methods of education designed to assist every child toward complete fulfillment as an individual person of worth. All children have the right to quality education, including full sex education appropriate to their stage of development that utilizes the best educational techniques and insights. Christian parents and guardians and the Church have the responsibility to ensure that children receive sex education consistent with Christian morality, including faithfulness in marriage and abstinence in singleness. Moreover, children have the rights to food, shelter, clothing, health care, and emotional well-being as do adults, and these rights we affirm as theirs regardless of actions or inactions of their parents or guardians. In particular, children must be protected from economic, physical, emotional, and sexual exploitation and abuse.

It is the adult's
responsibility to
establish and
maintain proper
boundaries.

Abuse

Abuse is defined as any physical injury, sexual abuse, verbal, or emotional abuse inflicted on a child, other than by accident, by those responsible for the child's care, custody and control. Discipline, including spanking, when administered in a reasonable manner, is not considered as abuse.

The policies of CrossRoads do not, however, condone or permit the spanking or striking in any fashion, of any child at any time when the child is placed with the supervisory care of CrossRoads.

Whether it is done by constant berating and belittling, by intimidation, or under the guise of "guidance," "teaching," or "advice," the results are similar.

What should you do when you suspect abuse or neglect?

CALL THE HOTLINE AT 1-800-392-3738, The Children's Division staff this hotline 24 hours a day, 7 days a week, 365 days a year. They will take information from you and respond to child abuse and neglect. If you live outside Missouri and want to report abuse or neglect of a Missouri child, call (573) 751-3448.

Notice to Mandated Reporters, Effective August 28, 2004: If you are required to report child abuse or neglect because of your occupation, you may no longer make an anonymous call to the Hotline.

Have complete information

HAVE COMPLETE INFORMATION. Children's Division needs specific information to be able to respond to a complaint of abuse or neglect.

Be sure you have:
the name of the child
the name of the parent(s)
the name of the alleged abuser
where the child can be located

You will also be asked:

Is the child in a life-threatening situation now?

How do you know about the abuse/neglect?

Did you witness the abuse/neglect?

Were there other witnesses
and how can they be contacted?

CONSIDER IDENTIFYING YOURSELF

If you are not required by occupation to report, you don't have to identify yourself when you make a hotline call, however being able to contact you later helps CD workers do a more thorough investigation. They may need to ask you for more information during the investigation process.

What if you're not sure it's abuse or neglect?

You can call the Cass County office at (816) 380-3597 to discuss your concerns. They can advise you whether or not to call the hotline. They can also give you advice that might help you help the family in crisis.

Err on the side of over-reporting. If you have the thought "Maybe I should call . . ." -- DO! Not all calls to the hotline are determined to be abuse/neglect.

However, CD can often provide services and assistance that can help families prevent abuse.

CrossRoads' Safe Sanctuary Policies

These guidelines are meant to enhance the safety of our children, youth, and adult workers during any church activity, on-site or off-site.

If the necessity for one-on-one interaction between adults and children or youth arises, the interactions should occur in an unenclosed area or with the knowledge of another adult. Workers are to be encouraged to warn each other when questionable behavior is displayed.

Husband/Wife teams must have the presence of another unrelated adult except in Sunday School classes.

CrossRoads' Safe Sanctuary Policies

Hugs need to be side to side.

No front-to-front hugs (except infants-preschoolers).

No kissing.

If a spontaneous hug is initiated by a youth, the adult is to briefly return the gesture and then break away.

CrossRoads' Safe Sanctuary Policies

Check In-Check Out

For the Nursery and KidsQuest programs: Parents or grandparents must check children into and out of care so that we have each child's complete name and contact information. Parents or Grandparents must have on file specific names of who is allowed to check their child out of our care. If the person checking the child out is not known to the staff, the person must show his or her ID before the child will be released to them.

All youth must sign in and out at each event.

Elementary and middle school children may not leave an event until the end, unless a parent or adult signs them out and designates with whom they left.

CrossRoads' Safe Sanctuary Policies

Travel

Adult sponsors are to drive to off-property events.

A youth may drive to an event if written parental permission was turned in ahead of time.

A youth driver may not drive other youth to a church-sponsored event.

Youth need to return in the same car in which they went to the event.

General travel permits (such as for KidsFirst) need to be updated and signed by the parent annually.

CrossRoads' Safe Sanctuary Policies
